

VCA Canada Guardian Veterinary Centre is seeking a permanent, full time residency trained or **Board-Certified Criticalist** to join our small animal specialty referral and 24-hour critical care centre in Edmonton, Alberta. Our hospital currently includes surgery, medicine, critical care, cardiology, and ophthalmology. The ideal candidate will fit well into a collaborative team culture and exhibits excellent communication skills with fellow colleagues, clients, and the referral community.

Our critical care department is a busy and growing service that works closely with both the ER and specialty services. The candidate's responsibilities will include further advancement of the Critical Care department, primary management of critical ER and in-patients, support and mentor-ship of the Emergency department.

Why Edmonton? What Sets us Apart?

- With an enduring connection in Edmonton, VCA Canada Guardian Veterinary Centre has built a trusting relationship with a large referral veterinary community. We proudly welcome referral clients from all over northern Alberta, northern BC, Yukon, and Northwest Territories.
- Edmonton offers the largest area of urban parkland with over 7300 hectares that expands both sides of our beautiful North Saskatchewan River. We know how to take full advantage of our great outdoors.
- We know how to host a festival; with many to choose from each year, including our world renowned Folk Fest, Fringe Festival, Symphony under the Sky, Ice on Whyte Festival. Edmonton offers the best community feeling.
- We are one of Canada's sunniest cities with impressively long summer days. Even in winter our skies are big, beautiful, and blue.
- A short drive away from the most majestic mountains in Canada, Jasper and Banff national parks boast world class vistas with ample hiking, camping, and skiing opportunities.
- With our new stadium, we have quickly become a top destination for many of the most sought after musician.

About Our Ideal Candidate:

- A valid DVM degree or equivalent, enabling practice in Canada
- Candidates must be board-certified (AVCECC or ECVECC) or residency trained (and eligible to sit for board examination) in Critical Care.
- License in Alberta or eligibility to be licensed with the AbVBMA.
- Strong leadership skills combined with a positive team player attitude to enable our teams to flourish
- Excellent diagnostic and critical care skills
- Exemplary customer service that builds loyalty and trust with your clients
- Strong organizational skills which allow you to stay focused
- Drive and ability to train interns and technicians

Our Hospital

- **VCA Canada Guardian Veterinary Centre** doctors and support staff are dedicated to our core values of Respect, Compassion, and a Progressive environment.
- With an established case load, **VCA Canada Guardian Veterinary Centre** continues to have excellent growth opportunities. We are a leader in emergency and specialty healthcare for pets.
- Dedication to creating the best client and employee experience is our goal.
- We foster a culture of compassion and a collaborative environment that leads to delivering exceptional care to patients, and service to our clients, referring veterinarians, and our community. We have specialties in the disciplines in Surgery, internal Medicine, Ophthalmology, Cardiology, and Critical Care.
- **VCA Canada Guardian Veterinary Centre** is a well-equipped, state of the art, 20,000 square foot hospital including 24 hour staffing, CatScan, Ultrasound, Fluoroscopy, Endoscopy and Arthroscopy, and a Critical Care Ventilator.
- We are dedicated to providing work-life balance with a strong focus on a positive hospital environment.

As member of VCA, we can offer:

- CE opportunities with access to annual VCA conferences, seminars and CE allowance
- Networking, collaboration and knowledge exchange with other veterinarians within our practices
- Continued investments in new technologies, advanced diagnostics, and modern facilities
- A commitment to give back through initiatives such as Paw it Forward and Pet Pantry
- Active research studies for publication and industry growth

Additionally, VCA Canada Guardian Veterinary Centre offers a comprehensive compensation package, group benefits including health and dental benefits, Continuing Education time and allowance, moving allowance, professional dues, signing bonus and more.
