

Out-of-Hours Veterinary Surgeon, Edinburgh

A rare opportunity has arisen for a highly motivated and experienced veterinary surgeon to join our **e-vets** team based at Braid Vet Hospital on the south side of Edinburgh.

We are looking for a confident vet with a genuine interest in Emergency and Critical Care. The successful candidate will find themselves part of and supported by a friendly and knowledgeable team, who strive to provide the highest standards of patient care. You will provide out-of-hours care for Braid Vet patients and those of our other local member practices, managing medical and post-surgical cases alongside emergency admissions. There may be limited exotics work.

The RCVS-accredited hospital is well-staffed and fully equipped with ultrasonography, video endoscopy, digital radiography, laparoscopy, in-house laboratory machines and all the other essentials you would expect. RVN's are on site 24 hours per day.

A certificate in Emergency and Critical Care or relevant discipline would be an advantage and we would fully support a candidate wishing to undertake post-graduate qualifications.

A competitive salary package is offered dependent on candidate experience and qualifications. The rota is based on a pattern of 7 nights on/14 nights off with extra day shifts available if wished.

We can also offer Healthshield insurance, Company pension scheme, a staff discount on pet treatment, childcare vouchers and a cycle to work scheme. Your RCVS and VDS fees are covered and there is a generous CPD budget.
