

Role: Emergency & Critical Care Specialist

Location: Glasgow, United Kingdom

Salary: Competitive basic salary & benefits package

At Vets Now Glasgow, we have an opening for a Diplomate (ACVECC or ECVECC) or residency trained clinician to join our emergency & critical care team. The successful candidate will join our established team and work alongside other Specialist and Referral Surgeons in ECC, diagnostic imaging, internal medicine, oncology, orthopaedic and soft tissue surgery.

The ECC service in Glasgow is growing year on year and we are looking for an experienced ECC specialist who thrives in a fast-paced environment. This role would suit someone looking for a full-time position however hours and working pattern will be agreed to suit the successful candidate.

Be part of an exceptional team

Working alongside a team of ECC Specialists, you will be supported by a strong team of Residents, Interns and Nurses in addition to our experienced out of hours team, many of them being advanced practitioners. The reassurance of having such a strong, well established team to support lends itself well to a great work-life balance.

Making a difference

Vets Now has a strong clinical culture and a focus on the delivery of the highest clinical and professional standards to our patients, clients and professional colleagues. We have 58 emergency clinics and three 24/7 hospitals in the UK. As well as providing outstanding clinical care, our specialists are involved with our evidence-based research group and have the opportunity to make a difference within the wider business and the profession.

Our employees are our greatest asset which is why we offer a first-class benefits and rewards package that includes:

- 7 weeks pro rata annual leave

- Your birthday as a paid day off
- Full support and guidance is offered throughout the visa process if applicable
- Private medical insurance
- £5000 CPD allowance plus 2 weeks paid
- UK Standard Pension contributions – 5% Employee/3% Employer
- 10% Flexible benefit to increase your pension or basic salary
- Professional membership fees
- Up to 50% discounted staff pet care
- Death in service of two times annual salary
- Membership of employee wellbeing programme
- Company sick, maternity, paternity and adoption pay schemes
